

NHDRO Spotlight : Kevin Dennis

Tuesday, November 20, 2012

Kevin Dennis hails from Galesburg, Illinois but now lives in Mishawaka, Indiana. Kevin started racing in 2009 when he came to the realization that it was a problem for him to go too fast on snowmobiles and he banged his head on trees. Racing for three years, almost every weekend has taught him so much about the racing industry. His knowledge and passion for racing continues to grow each year. He owns two Kawasaki ZX-10 motorcycles. One of which he uses for class racing and the other to simply enjoy by testing its speed capability.

Some of his notable achievements include: winner of the Ironman race at OC Dragway in 2009 and winner of several Osceola Streetbike Shootout Street ET races.

Kevin is shooting for several race wins at OSR's monthly races at Bunker Hill in 2013.

In Kevin's opinion, NHDRO is the best racing series in the Midwest. If he did not have a bike to race, he would simply enjoy watching the Pro Street bikes and enjoy a weekend with one of the best groups of racers one could meet. This is why Kevin will not miss an NHDRO race. Kevin Dennis is dedicated and driven to the success of his business, his racing and NHDRO. Motorcycle racing is his main respite from an 80 hour work week and the hard work of being dedicated to growing his business - Dennis Insurance Agency. The insurance Agency is a multi line insurance agency offering everything from Auto, Home and Life Insurance to Motorcycle and Travel trailer coverage. Kevin also offers a full suite of products for small and large businesses. Dennis Insurance has been in business since 2004 and serve all of Indiana and Michigan.
