GENERAL: A rider may only run one bike in this class. The same bike cannot be entered twice in this class by the same rider or another rider.

CHANGING BIKES: A racer can change his or her bike in qualifying if there is still another qualify session for the class, however all previous qualifying data will be erased and the racer must re-qualify the new bike (You still need to notify the tower to change). The bike and rider that runs first round is the one that must be used for the remainder of eliminations, even if the class is completed on another weekend due to weather.
