

**Vanson Leathers  
Product Certificate Contingency**

**Details:**

Vanson Leathers will offer product certificates for every 2022 NHDRO event

Product Certificate Contingency is available in all classes listed

**Rules:**

- Product Certificates will be awarded to the following four winners:  
1<sup>st</sup> place - \$50 | 2<sup>nd</sup> place - \$40 | 5<sup>th</sup> place - \$30 | 10<sup>th</sup> place - \$20
- Product Certificates are for Vanson manufactured products (jackets, suits, gloves etc.) or services (repairs) only
- Redemption off of MSRP
- Maximum Redemption rate is half price, so half is to be paid at the time of order. Example: PWAC totaling \$800.00 - in the event of a \$1,200 order \$600.00 of PWAC would be allowed leaving a cash balance of \$600
- Product Certificates are for product only, no cash value
- Product Certificates are not valid for shipping + handling fees
- Product Certificates must be redeemed by January 1st of the following year. Redemption can be the placing of an order with a later delivery date
- Product Certificates maybe used for deposits on orders up to 50% of the deposit
- Product Certificates maybe combined for maximum value
- Product Certificates are not transferable but any unused portion maybe shared with another person provided both orders are given to Vanson at the same time. Example: using the scenario of Maximum Redemption, the \$200 unused portion of the PWAC could be either banked for future (within one year) use, or used on a Vanson product or service of \$400 or more value
- Bikes must have Vanson Decals prominently displayed on both sides
- If a class does not have enough racers in the class - it will be the top four winners
