NOTE This is a run order/sequence, with **approximate** start times for the classes. There is **NO** way to have a schedule with exact times due to things like; bike count, weather, accidents, oil downs, etc. That being said, it is the RACERS responsibility to be at the track for the classes and to adjust to schedule shifts. No refunds have nor will be given if a racer misses their run. *If we run far enough ahead of schedule, there will be an additional qualifier for Sportsman *
